

# Futuristic Cabinet Design

Popular pedal system and weapon Select system remain intact!

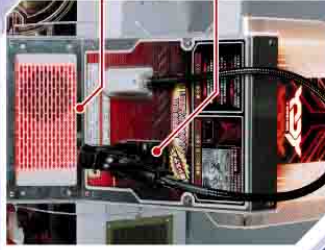

DX  
SD

## HEAVY-SUB WOOFER + INDEPENDENT VOICE SPEAKER!

The independent voice speakers are mounted on the gun tower in front of the player. Comrades will guide the player through the game.

The speaker lights up when new voice communications arrive.

New Gun Controller is easy to grip!

## EASY MAINTENANCE

- The primary maintenance door is at the front of the cabinet for easy access.
- The screw length in the gun controller has been standardized for efficient maintenance.
